Family Fun Day

Mother Nature definitely shone down on the first annual Family Fun Day / Una Domenica Italiana held on Sunday, September 11 at the Orchard View Reception and Conference Centre as close to 400 people enjoyed the beautiful day by participating in bocce tournaments, playing sports, having their faces painted, or by sitting in the sun! People danced and sang to their heart's content with the live music of Espresso Orchestra, DJ Vince Vitello, Nadia Villani, Larry Pagliarello, and Jimmy Lafrenière. Because an Italian event could not be complete without lots of food, a smorgasbord of Italian-style cooking was made available throughout the day. Since this was a not-for-profit event, all net proceeds were donated to a very important cause—the Canadian Aids Foundation. The Associazione Culturale Savuto-Cleto would like to give a great big thanks to all those who participated and made a contribution to this event. Due to its huge success, it's definitely safe to say, "We'll see you next year!"
